**Tamper-Resistant Prescription Pads  
ORDER FORM**

These Tamper-Resistant Prescription Pads each have 50 pages per pad and must be ordered in multiples of 5 pads per order. Due to the increased cost of production and shipping, the cost of five (5) pads as of February 10, 2009, will be \$54 for new orders and \$44 for re-orders. We are also adding a shipping and processing fee of \$6 per order. The increase in cost is being made to allow us to continue to offer this program – the previous pricing formula was not allowing us to breakeven on small orders. If you have large orders or if our cost drops we will make adjustments to this pricing. Thank you.

All orders must be in quantities that are a multiple of five (5)
