## Mission Statement for The Annual Ohio Foot and Ankle Scientific Seminar

The OFAMF's and OHFAMA's educational mission is to purposefully advance the art and science of podiatric medicine by providing the highest quality of didactic and clinical learning experiences to OH and WV members, non-members, and their medical assistants, and shall include a variety of instructional sessions aimed at significantly enhancing patient care, treatment protocols and practice efficiency. The program may include interactive educational adult learning methods and principles utilizing lectures, panel discussions, point-counterpoint, excuse the interruption forums, case studies, question and answer, handouts, audio visual materials (including media or narrations), hands-on workshops and roundtable discussions with moderators to achieve a well-rounded venue of postgraduate instruction.

(ADOPTED APRIL 2017)

### KEY GOAL

To achieve 25 Hours of CME Category I in evidenced based podiatric medicine for professional development.

### OBJECTIVES

Upon conclusion of the Annual Seminar, podiatric physicians will be able to:

- be *knowledgeably* informed or recall information regarding podiatric conditions, maladies or circumstances relating to the practice of medicine and podiatry
- extrapolate by *comprehension*, understanding or perception the insight gained via lecture and discussion relating to the practice of medicine and podiatry
- formulate or infer by *application* case relevance relating to the practice of medicine and podiatry
- distinguish by *analysis* the appropriate modalities in the treatment, care and protocols of current trends, application and practices of medicine in podiatry
- generalize, *synthesize*, or deduce by classification ways to develop treatment protocols based on current literature and evidenced based medicine
- compare, contrast and *evaluate* judgment values for those ideas presented between medical and surgical applications

# Welcome!

## Welcome to The 102nd Annual Ohio Foot and Ankle Scientific Seminar

### Continental Breakfast & Breaks

Included with your registration, join us in the Exhibit Hall for a light daily continental breakfast and for all scheduled breaks on Thursday and Friday. On Saturday, join us in the Conference Center Lobby area for breakfast and breaks.

### Lunch and Learns

Thursday and Saturday will offer three diverse **Lunch and Learn** options. Enjoy a private 90-minute lunch with lecture hosted by one of our sponsors with the opportunity to earn CME credit. Tickets must be picked up at the sponsors exhibit booth. **Each session is limited to 40 registrants and tickets are available on a first-come, first-served basis.**

### Exhibitors' Marketplace on Friday

Lunch (included with your registration) is provided to all registered attendees in the Exhibit Hall at the Marketplace. This event is 90 minutes – exclusive with all exhibitors. No CME is provided; there are no opposing lectures. You must wear a name tag for admittance. **Be sure to visit all exhibitors and have your Play To Win Cards marked for your chance to win door prizes during the Friday afternoon break. Exhibitors' participation supports the podiatric profession. Please let them know how much you value their presence and participation at The Annual Seminar.**

### Exhibit Hall

Exhibits are Thursday and Friday only. You must wear a name tag for admittance. Scanning will occur in the Exhibit Hall in selected areas prior to 11:00 am and 4:00 pm daily. Exhibits will dismantle after the 3:30 pm break on Friday afternoon.

### Scanning

Participants must be scanned prior to 11:00 am and 4:00 pm. NCR forms attesting to attendance per session must be

completed and remitted before conference departure for CME certificates.

### General Information

A confirmation e-mail will be sent following receipt of your registration. Registration materials, including scanning information, will be provided in your registration packet. To receive member pricing, you must be a current OHFAMA or APMA member. **We suggest that you bring a sweater or jacket to ensure your comfort at all sessions.** CPME hours do not apply to practice management sessions. Please remit your CME signature sheet (white copy) before your hotel departure. You retain the yellow file copy.

### Nondiscrimination

No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify our staff when registering if you require special accommodation for training or attendance at (614) 457-6269.

### Registration

You must sign for your Annual seminar packet at the conference Registration desk. Total CME credit 25 contact hours.

### Thursday Hours

**9.5 total hours.** Include 1.5 hours for Lunch and Learn (only if attending).

### Friday Hours

**7.5 total hours.**

### Saturday Hours

**8 total hours.** Include 1.5 hours for Lunch and Learn (only if attending).

### Conference Attendance

Registration and payment does not automatically result in the issuance of any CME credit. There are two methods of attendance verification; scanning and an NCR form. Attendees will be scanned twice each day to verify attendance. The paper NCR form attests that you have attended the program for the number of CME hours awarded. Please retain one copy for your file for state licensure audit. A signed copy is required to receive the Certificate of Attendance. Please remit your CME white copy signature sheet before your hotel departure at the seminar registration desk.

### Consent to Use of Photographic Images

Registration and attendance at or participation in OFAMF/OHFAMA meetings, academy functions and other activities constitutes an agreement by the registrant to the use and distribution (both now and in the future) of the registrant or attendee's image in photographs, videotapes, and electronic reproduction of such events and activities for marketing and professional use.

### Cancellations

**A \$50 administration fee will be charged.** Cancellations must be received in writing to OFAMF/OHFAMA prior to **April 26, 2018.** No refunds for cancellations will be honored after that date.

### Online Registration

Register online at [www.ohfama.org](http://www.ohfama.org); FAX at (614) 457-3375; or mail to: 102nd Annual Foot and Ankle Scientific Seminar, 1960 Bethel Rd., Ste. 140, Columbus, OH 43220-1815. Make check payable to OFAMF (Ohio Foot and Ankle Medical Foundation). **Registration closes on May 10. Registrations postmarked after that date will be charged the \$50 on-site registration fee without exception.**

### On-Site Registrations

**Online and faxed registration will be closed on May 10;** registration cannot be confirmed after that date. **After May 10, you must register on-site at the meeting.** For on-site registration, add \$50 to the fees (excludes residents, students, guests, Life Members).

### Changes to Lectures or Schedules

We reserve the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts, registration, or as otherwise deemed necessary. Note: There are limited spaces for selected events; registrations are on a first-come, first-served basis.

### Hotel Rates

A special discounted room rate for our conference is \$179 per night plus tax. Reservations must be made by April 15, 2018. Individuals cancelling a reservation must do so by 4 PM the day prior to their scheduled arrival date or a charge of one night's room and tax will be

charged to the individual's credit card. Mention you're with the OFAMF/OHFAMA to receive the discounted rate. Rooms go quickly. Reserve yours as soon as possible! For reservations, call (614) 414-5000 or go to [www.hilton.com](http://www.hilton.com) and use the group code: **FAA.**

**Thank you for using the Columbus Hilton at Easton for your hotel reservations for the Annual Seminar. By utilizing our room block, we are able to reduce the overall costs associated with producing the seminar. These savings allow us to offer reduced registration and special events that are included in the registration.**

### Hotel Location

The Columbus Hilton at Easton is located at the Easton Town Center, featuring over 100 of the area's finest shops, restaurants, entertainment and nightspots. Easton offers upscale shopping, family entertainment and many dining options—something for everyone! The Hilton Columbus is conveniently located at 3900 Chagrin Drive, near the intersection of US I-270 and Easton Way, adjacent to Easton Town Center. For specific driving directions, go to [www.columbusoh.hilton.com](http://www.columbusoh.hilton.com) and click on Directions and Transportation.

### CPME and CME Credit

This Seminar has been accredited by the Ohio Foot and Ankle Medical Foundation as an approved sponsor by the Council on Podiatric Medical Education as well as the OFAMF Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CPME and CME credit is established at 25 total contact hours for the State Medical Board of Ohio. Hours are calculated from the electronic badge scanners. Complete scanning hours and locations will be provided on-site in your packet. Please note: Registration and payment do not automatically result in the issuance of continuing education contact hours. Scanned name badges and NCR CME forms verify attendance. The attendee must attest that he or she has attended the program for the number of continuing education contact hours awarded.

### Audience

The intended audience for The Annual Seminar is physicians,

resident physicians, students of podiatric medicine, and podiatric assistants. For physicians and students the skill, knowledge or experience is equated with their scholarship, license limitations or practice area. Presentations are post-graduate physician level. Our venues provide participants the opportunity to question the faculty or offer comments to the program content. Continuing education hours are based on clock hours. This program has been validated for 25 contact hours and CME hours in Ohio.

### Name Badges

An OFAMF name tag **will be required** for all Annual Seminar attendees and does not automatically result in the issuance of any CME hours.

### PICA

**PICA policyholders who attend the PICA risk management lecture at the 2018 Annual Foot and Ankle Scientific Seminar are eligible to earn up to a 15% premium discount on their insurance renewal.** Following the PICA lecture there will be a Welcome Reception hosted by PICA for all Annual Seminar registrants on Thursday from 5:30-6:30 pm. We hope to see you there!

## Understanding MIPS in 2018, Quality Reporting Outcomes and HIPAA: There's More Than You Think!

**Time: 10:00 – 12:00 pm | Regent 1 | Speaker  
Michael Brody, DPM**

**Objective:** Attendees will understand how the MIPS program relates to quality of care, how to best participate in MIPS to improve patient outcomes and to improve your practice. The session will review how the quality of re-

porting relates to the quality of care, how to best participate in quality reporting.

Attendees will understand the steps you can take to ensure availability of records and how to recover from a disaster such as a fire or flood and still have access to your patient records to provide quality care. The session will review the steps you can take to ensure

the integrity of records and how to monitor and maintain your records so that you can trust them for clinical decision making. Finally, the session will discuss the steps you can take to avoid a data breach, remembering that a data breach can have a negative impact on the doctor-patient relationship and therefore have an impact on outcomes.

**Saturday, May 19, 2018**

## Practicing and Succeeding in Today's World of Healthcare: Creating Stability through Protocols, Systems and Quality Patient Care

**Time: 9:45 – 11:30 am | Regent 1 | Speaker  
Cindy Pezza, PMAC**

**Objective:** As the world of healthcare changes, it becomes increasingly important to streamline processes in every aspect of your practice. From the initial phone call through posting of payments,

attention to detail makes the difference between struggling to get by and achieving success. Join us to discuss ways to improve customer service, patient care and practice revenue through the development and implementation of proven systems allowing you and your team to provide the treatments and services required

(but commonly overlooked) to improve compliance and quality of life (for both you and your patients). Taking the time to slow down and start working ON your practice rather than just IN it may be the wisest investment you ever make. Get ready to take notes and start making positive changes in your office on Monday!

## Support Podiatric Resident Research

### Gerard V. Yu, DPM Scientific Paper Competition

"Dr. Gerard Yu's life was a living testament to embody the highest standards and principles of both professional and personal conduct, while achieving nationally the highest standards of medical and surgical proficiency with an ongoing and continual dedication to excellence."

— FROM DR. BRUCE BLANK, PAST PRESIDENT OF OHFAMA AND A FORMER STUDENT OF DR. YU.

The Gerard V. Yu, DPM Scientific Paper Competition will be held on Thursday, May 17, 2018. This is an opportunity for active resident members of the Ohio Foot and Ankle Medical Association to showcase their talent and hard work in the presentation of their research.

### 2018 OHFAMA Abstract Poster Competition

The OHFAMA Abstract Poster Competition will be displayed in the Regent Foyer for attendees to review Case Studies and Scientific Studies submitted by resident members. This additional competition format further represents Dr. Yu's life's work in education and his personal belief in excellence in presentation format. Watch the Competitions Finalists Present on Thursday, May 17th in the Regent Ballroom

## FRIDAY May 18, 2018

7:30 am - 8:00 am  
Registration

8:00 am - 8:15 am  
Welcome and Introduction

8:15 am - 8:45 am  
Marc Greenberg, DPM  
"Anatomy Terminology and Commonly Treated Podiatric Conditions for the Podiatric Assistant"

Every team member should understand the basics and be able to work together to provide the best possible service to patients.

8:45 am - 9:15 am  
Cindy Pezza, PMAC  
"Keeping Doctors Moving and at the Top of Their Game"

Preparing for the patient day can mean the difference between controlled chaos and mayhem! Join us as we discuss tips for both front and back office that will allow us to stay a step ahead of our patients, and two ahead of the doctor.

9:15 am - 9:30 am  
Cindy Pezza, PMAC  
"There Is No "I" In TEAM: Working Together Towards Practice Success"

In this discussion we will demonstrate the value of creating a team of exceptional staff members, managers and doctors that work together to improve patient care and the health of the practice.

9:30 am - 10:15 am  
Cindy Pezza, PMAC  
"In-Office Dispensing and the Importance of Practice Branding"

In the age of "only a click away," join us as we review the latest and greatest in medical grade and physician only products and formulas that will improve patient compliance, satisfaction, outcome and practice revenue, as well as how to handle difficult situations when it comes to patients shopping online.

10:15 am - 10:45 am  
BREAK

10:45 am - 11:15 am  
Sarah Abshier, DPM  
"Common Office Procedures & Appropriate Billing and Coding"

In this presentation we will review the four most common clinical office procedures including pre-operative setup, procedure and technique as well as the appropriate coding and billing (to make sure your doctors are paid for the services they provide).

11:15 am - 12:00 pm  
Laura Moser, Bako Representative  
"Definitive Diagnosis - Appropriate Sampling and Diagnostic Methods"

This presentation will highlight various dermatological conditions as they may manifest in the skin of the lower extremity. Upon completion of this session, attendees will better understand the significance of the biopsy procedure as a powerful diagnostic tool. This session will include an overview of various biopsy techniques, specimen collection and handling.

12:00 pm - 1:30 pm  
LUNCH

1:30 pm - 2:00 pm  
Marc Greenberg, DPM  
"Dealing with Emergencies in the Front and Back Office"

In this discussion we will review common medical emergencies as well as seemingly disastrous situations (from disruptions in internet connection to mishaps of mother nature) that may cause increased havoc if we are not prepared. Get ready to share your stories and learn how to handle it better next time together.

2:00 pm - 2:45 pm  
Marc Greenberg, DPM and Cindy Pezza, PMAC

"Patient Evaluations" (Role Playing from the doctor and assistant prospective)

Every team member's role in preparing patients for our doctors is equally as important. Step by step, from their initial call to the office, all the way through insurance verifications, demographic and medical history collection, condition evaluation and preparation for possible procedures, podiatric

assistants make it possible for doctors to diagnose and develop a treatment plan in the most efficient way possible. Here we will explore ways to quickly and accurately obtain the information our doctors need to improve patient satisfaction, outcome and production.

2:45 pm - 3:00 pm  
Cindy Pezza, PMAC  
"Quick Tips for Dealing with Difficult Patients"

We all have them in our practice. Let's explore ways to handle our more "colorful" patients in a professional manner to keep situations under control and our days from being ruined.

3:00 pm - 3:30 pm  
BREAK

3:30 pm - 4:30 pm  
Michael Brody, DPM  
"MIPS and MACRA — What you need to know"

Reporting Quality Care, Practice Improvements and Advancing Care are the three elements of MIPS that all assistant's must understand. The session will review the role of the Podiatric Medical Assistant to enable the practice to achieve high performance in the MIPS program.

4:30 pm - 5:00 pm  
Cindy Pezza, PMAC  
"Practice Reputation"

In today's world of technology and choices just a click away, it is more important than ever to provide the best possible experience for our patients (from first website visit to follow-up encounter). Join us as we discuss how to step up your customer service game through improved patient education and close monitoring and management of your practice reputation.

5:00 pm - 5:30 pm  
Sarah Abshier, DPM, Marc Greenberg, DPM and Cindy Pezza, PMAC  
"Office Successes and Fails"

Panel and group discussion on real office experiences that everyone can learn from.
